

# WE'VE GONE BIGGER.

TO MAKE YOUR COSTS SMALLER

INTRODUCING THE CATAPULT

## 26" PRESS

Our new pressure sensitive press is **the largest press in the US**, pushing the boundaries with unmatched production capacity, faster lead times, and significant cost savings of up to 30%!

### Bigger

More labels can be printed at once. With greater width on the press we are 60% more productive.

### Quicker

Double the speed of a normal pressure-sensitive press, resulting in 20-30% cost savings.

### Slicker

Same quantity, more environmentally friendly.
